

AGC STEP2 HOME SUPPLIES DONATION DRIVE

AGC Summer Home Supplies Donation Drive

The Nevada Chapter AGC Community Awareness Committee is collecting household articles for Step2 so these families can get back on their feet.

- New or gently used clean towels, twin size bedding, kitchen pots and pans and bathroom rugs
- We are collecting these items from June 1 -August 31

STEP2, a private non-profit, is the only treatment program in Northern Nevada and one of the few in the country that accommodates women with children.

Donation drive bins will be located at the AGC office at 5400 Mill Street or if you have donations, the AGC Community Service committee members will come by your office to pick them up! Just call AGC at 329-6116 or email MelissaD@NevadaAGC.org
