and Continuing Education

# The AGC Safety Committee and Truckee Meadow Community College

*Present*

## Lead Training for Renovators, Repairman and Painters

8:00 a.m. – 5:00 p.m.

Monday, September 13, 2010

TMCC Workforce Development at 475 Edison Way

Instructors: Scott Alquist, TMCC Safety Training Center Manager and  
Robert McLaughlin, TMCC Safety Training Consultant

This class is required if you are going to provide contracting services to pre-1978 houses or public buildings where children under the age of six or pregnant women may be present. The EPA requires you to complete an accredited training program. You will learn about the hazards of lead paint, safe work practices, cleanup and more. Upon successful completion, contractors can apply for EPA certification.
