AGC 2009 Annual Business Report

[Click here](#) to view the Nevada Chapter AGC 2009 Annual Business Report.

AGC/RTC Pizza Pop Projects Lunch

11:30 a.m., Tuesday, March 16 - AGC

This event will give contractors and RTC Project Management an opportunity to review the major 2010 projects, including project specifics.

[Click here](#) for more information or contact the AGC office at 775-329-6116.

LEED Green Associate Seminar

7:30 a.m., Tuesday, March 30 - AGC

This one-day course is taught by LEED experts, Sustainable Investment Group, who have taken the new exams and are working on LEED projects. Current LEED AP's are not required to become Green Associates.

Please reserve your spot by Monday, March 15. [Click here](#) for more information or contact the AGC office at 775-329-6116

NDOT Wind Warning System Study

NDOT is conducting a study of possible enhancements to the wind warning system on U.S. 395 through Washoe Valley. As part of the study, NDOT is seeking feedback from all motorists and commercial/contract drivers who drive through the area. The survey is available at www.nevadadot.com/wind or [click here](#) for more details.

OSHA Crane & Derricks Regulations

The revision to the Cranes and Derricks Standard should be published sometime this summer. [Click here](#) to view the draft regulations.
