AGC of America Reports On The Galena Bridge

A bridge in Nevada that will extend more than 1,700 feet and be the longest cathedral-arch bridge in the U.S. continues to move towards completion. The bridge, part of a \$600 million Interstate highway extension project, is among the most expensive transportation projects in the state's history. [Click here](#) to view complete article.

ACE High School Needs Another Shuttle Bus

ACE High School is looking to purchase another Shuttle Bus. It cannot seat more than 14 passengers. We are hoping to find an affordable shuttle bus for sale in the Reno/Sparks area.

If you know of one for sale, please contact Leigh or Bob at 775-324-3900.

AGC Construction Manager At Risk Presentation

2:00 p.m., Wednesday, September 23

AGC and Sundt Construction cordially invite all Nevada Chapter AGC members to a presentation and discussion on the history and growth of the Construction Manager at Risk (CMAR) process in the public sector. [Click here](#) for more information.

AGC 2009-2010 Leadership Series Begins November 2009 - February 2010

The Leadership Series is designed to be an educational experience. Participants will develop strong leadership skills and techniques. Special company discounts if you send two or more employees. [Click here](#) for more information or contact the AGC office at 775-329-6116.

AGC of America - 2010 Construction Safety Excellence Awards Program

The Associated General Contractors of America (AGC) is announcing the 2010 Construction Safety Excellence Awards (CSEA) program. CSEA is the industry's elite safety excellence awards program. AGC's CSEA program recognizes companies that have developed and implemented premier safety and loss prevention programs. The program also showcases companies that have achieved continuous improvements and maintenance of their safety and health management systems.

For more information regarding the program please visit www.agc.org/csea where you can find application instructions to assist with the proper completion of the CSEA application and a list of Chapter Safety Professionals who can assist with questions regarding the application process.

The application can be completed electronically and saved throughout the process. After completion the application can be printed for required signatures and submission to the National AGC of America.

The deadline for submitting the entries to AGC is Friday, December 4, 2009.

Resume 909A
