AGC Member Only Webinar

12:00 p.m., Monday, February 2

On Monday, February 2, 2009 at 12:00 PT. The Associated General Contractors of America is hosting a webinar for all member companies and chapters to provide the latest information about the stimulus legislation currently being debated in Congress. You can join the webinar online or telephone only. [Click here](#) to join online and enter the requested information under "Join Event Now" then click the "Join Now" button or call the toll-free number 866-699-3239. The event number: 622 707 296; Event password: Agc02022009

UNR ASCE/AGC Concrete Canoe Pour and First Meeting

UNR is the 2008 NCAA Concrete Canoe defending champions. The concrete canoe pour will take place on **8:00 a.m., Sunday, February 1**, in the basement of the structures lab. They will provide a free lunch for those who come out to help. Also, they need help preparing the canoe male mold for pour date, if you want to help, contact construction manager Andrew Durham at 315- 440-0684 or Jorge Gonzalez at 702- 400-9383.

ACE Charter High School Needs Volunteers

10:30 a.m. - 1:00 p.m., Friday, February 6

On Friday February 6, ACE is conducting its 2nd Annual Senior Interview Day. Last year was a smashing success and they hope to do even better this year. ACE needs volunteers to interview students in a "mock" job setting. Students will be prepared through a seminar and power point lessons prior to the interviews.

If you are interested in volunteering please contact Mindi Brenner with United Construction at 858-8090 or [click here](#) to email Mindi.

AGC Construction Outlook

The presentations that were given at the AGC Construction Outlook on Friday, January 23, are now posted on the AGC website. Please [click here](#) to view.

OSHA 300A Posting Requirements

OSHA 300A Summary Logs need to be posted by February 1, 2009 until April 30, 2009. If you have any questions or need any assistance please call the AGC office at 329-6116.

STP Unit 2: Oral and Written Communication

3:00 p.m., Tuesday's and Thursday's, February 10 - 19

This class is well suited for project managers, superintendants, foreman and others who would like to sharpen their oral and written communication skills.

For more information [click here](#) or contact the AGC office at 329-6116.

AGC Outlook 2003 Level I

7:00 a.m., Thursday, February 26

Nevada Chapter AGC and New Horizons Computer Learning Centers have partnered together to bring you computer training. The Outlook 2003 Level I class will be held from 7:00 a.m. - 3:00 p.m., Thursday, February 26. [Click here](#) for flyer or [click here](#) to view course outline.

NV Energy Moving Toward LEED Certification

An important component in NV Energy's three-part energy strategy for Nevada is energy efficiency and conservation. Not only is it important for their customers, it's vital to their company as well as their strive to reduce energy demand and shrink our own carbon footprint. For more information in LEED standards, visit USGBC.org.

Resume 109F

This person has experience as an account manger. If you would like more information please contact the AGC office at 329-6116.
