Regional Planning Governing Board Meeting

2:00 p.m., Thursday, January 15 - 1001 East Ninth Street, Reno

A proposal has been made to merge the Regional Planning Governing Board with the Regional Transportation Commission (RTC) in Washoe County.

AGC members are urged to attend this important meeting and be prepared to express their views to the board on this proposal.

Such a proposal would give planners the primary responsibility for deciding which roads are built in this community. AGC supports an independent RTC which is primarily concerned with maintaining an efficient local transportation system.

It is important that our industry is represented. Please plan to attend.

ConsensusDOCS Offers Valuable Tools For Turbulent Financial Times

The ConsensusDOCS standard contract 290, Guidelines for Obtaining Owner Financial Information, and the related Financial Questionnaire 290.1, provide an easy and direct way for contractors to quickly determine the financial viability of projects. ConsensusDOCS is the only catalog of standard contract documents that provides such a project tool, which is crucial in turbulent economic times.

[Click here](#) and go to bookstore to view ConsensusDOCS. You can also stop by the AGC office to view the documents. If you have any questions please call the AGC office at 329-6116.

AGC Basic Print Reading Class

3:00 p.m., Tuesday, Thursday, Tuesday, January 13, 15, & 20

This 9 hour course is for beginning students with little or no knowledge of print reading. This course presents basic elements of print reading and provides print reading experience in commercial construction. The entire process of print reading from working drawings and print reading techniques to reading and interpreting finished plans will be covered in detail.

AGC/RTC P Cubed Lunch

11:30 a.m., Wednesday, January 21

COME JOIN US FOR PIZZA, POP AND PROJECTS!

This event will give contractors and RTC Project Management an opportunity to review the major 2009 projects, including project specifics.
