

# LEADERSHIP FOR MANAGERS

## LEADING PEOPLE & MANAGING RESULTS

### LEADERSHIP FOR MANAGERS & SUPERVISORS

Leading People & Managing Results

This module shows managers and supervisors that they can make or break a company. The ability to lead others is critical to productivity and profitability. In this highly interactive and hands-on program you will experience proven tools for effective leading, managing and supervising. This program is guaranteed to develop stronger management skills and the leadership to achieve company goals.

#### EXPECTATIONS:

- Practice proven techniques to improve employee performance.
- Strengthen personal and team leadership confidence.
- Develop a sense of urgency to complete tasks and projects.
- Practice the different styles of situational leadership.
- Perform ways to hold people accountable & take responsibility.

---

"I partnered with Jeffrey for our entire Regional Management Team. Jeffrey and his team were spot-on on their delivery of the focused content developed specifically for our needs." -Jeff Van Dusseldorp, General Manager, Coast Installations

"This has come at a great time in my career when I am trying to work through some employee engagement issues and have instituted a lot of things we have learned and it has really been working.  
Jonathan Cliffe, Plant Engineer, Granite Construction
