

## *Welcome New Members*

**Clark Construction** is one of the largest building and infrastructure companies in the United States. For more than a century, they have delivered assets and infrastructure that strengthen our nation.

Their portfolio spans every major building market, from public to private, corporate to cultural, education to entertainment, and the infrastructure connecting it all – power, transit, water, and roadways.

They delight and deliver value to their clients and project partners, provide diverse opportunities for the Clark team, and enhance the communities where we live.

**Fleet Heating and Air** just celebrated 25 years in business! They specialize in all fields of the HVAC industry. From service work, multifamily housing, production homes, commercial buildings, mid and high rise, to industrial.

They attribute their success with the communities that they work in and are

proud that they are able to give back to those communities. A strong sense of community has been the backbone of their growth.

Fleet Heating and Air prides themselves on quality projects built on time and on budget.
