Black Eagle Consulting, Inc.
Geotechnical & Construction Services

Black Eagle Consulting Promotes Jackie Miranda

Jackie Miranda has been promoted to Assistant Lab Manager in Black Eagle Consulting's Reno office. Ms. Miranda has over 19 years of materials testing and construction inspection experience for public works infrastructure projects. Ms. Miranda's responsibilities include laboratory testing and field inspection of soils, aggregates, Portland cement concrete (PCC), hot-mix asphalt, chip seals, micro-surfacing and slurry seals to insure conformance with the project specifications. Ms. Miranda holds a NDOT Water Pollution Control Manager certification, NAQTC Sampling and Density, Aggregates and Standard Asphalt certifications, and ACI Concrete Strength Testing certification.

Ms. Miranda is a second generation materials tester and started her career in the laboratory. Outside of work, she and her husband enjoy paddleboarding, rock crawling, camping, gardening and spending time with their dog, Petra.

Black Eagle Consulting, Inc. provides geotechnical engineering, materials testing, special inspections, and non-destructive testing (NDT) services. The firm has two offices, located in Reno and Carson City, to service Northern Nevada and the Eastern Sierras. Black Eagle Consulting, Inc. is licensed in Nevada, California, Hawaii, Missouri, and Oregon.
