

Do you have one hour? We could use your help!

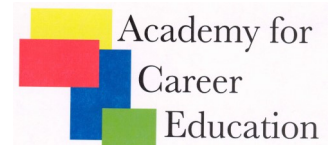

AGC is looking for volunteers for the **2nd Annual Lemelson STEM Academy Construction Career Day** on **Thursday, May 9, 2019**. You can volunteer for as little as one hour, two hours or all day! You may volunteer for a specific time or job or we can assign you a job. Listed below are the activities we will be doing that day and what each activity includes. Please also note what time(s) you will be available. Outdoor activities are subject to the weather.

Please email this form back to Carisalynn at CarisalynnS@NevadaAGC.org if you are interested in volunteering your time or equipment for this wonderful event.
