Welcome New Members!

[All Eagle LLC](#) is located in Reno, Nevada delivering professional services focusing on Asbestos Abatement, Mold Remediation, and General Demolition. Although officially established in January 2015, their team extended experience that goes back to 2014. They perform great services with great prices. All Eagle LLC specializes in doing emergency work and post-fire and water abatement with a quick turnaround.

[GEM Drafting](#) is a veteran-owned and operated drafting company. They provide expertise in the industry's leading programs for BIM, Scanning Services, Drafting and Architectural Design. Their goal is to provide

contractors, engineers, and architects with efficient BIM coordination utilizing our strategic BIM lifecycle. No matter what level of development is required, they have the capabilities.

Scanning services include:

Scan to BIM for AS BUILTS, records drawings, building inspections, design clash scans, MEP scans, architectural structure scans, 3D models.

Drafting and design services include:

Commercial and residential new builds, remodels, renovations, additions, tenant improvements, commercial building design, multipurpose building design, apartment building design, subdivision master plans, energy checks, and 3D renderings.

[Martin-Harris Construction](#) (MHC) has been in business since 1976 and has been named ENR Southwest Magazine's 2020 Contractor-of-the-Year. In response to their clients' needs for a multi-faceted contractor, they maintain dedicated talent and resources in a wide variety of market segments with experience in all delivery methods, augmented by in-house self-performance capabilities. This ensures that no matter the scope, from \$10k emergency repairs to \$100k tenant improvements and \$10M renovations to \$100M+ new builds, they have the resources and experience to consistently provide a certainty of delivery to achieve any project goal and build strong relationships with their clients. Their market sector expertise includes: healthcare, industrial, office, education, multi-family, special use, hospitality, public works, and retail.

[Nason's Scanning Service LLC](#) has been in business for 7 years. They scan concrete to locate embedded objects and perform sub-surface investigations to locate utilities, vaults, voids and more!

Exciting Announcements

Black Eagle Consulting, Inc.

Eric Paakkari has been promoted to QC Project Manager!

Mr. Paakkari has been working with BEC for the last 8 years. He has a wealth of Quality Control (QC) inspection and testing knowledge in all aspects of horizontal and vertical construction. Eric has recently been promoted to QC Project Manager. Some of his new responsibilities will include: proposal preparation, construction meeting coordination, project budget review, project oversight and compliance verification.

Please help us in congratulating Eric!

Our mission at Black Eagle Consulting, Inc.:

Applying our expertise in geotechnical engineering and construction services to support the success of our clients' projects while enriching the development of our community.
