*Welcome New Members!*

[Reno Green Landscaping](#) (RGL) creates and maintains artistic and practical landscapes tailored to the specific needs of our clients. RGL, is a full-service locally owned landscape company that has served northern Nevada and California since 1975. Their services include landscape irrigation, design, and installation. They also specialize in commercial, residential, and industrial landscape maintenance. With efficient scheduling and skilled laborers to specialized software and proactive account managers, Reno Green ensures efficiency and quality are at the root of their service.

---

[McCarthy Building Companies, Inc.](#) is the oldest privately held national construction company in the country – with 157 years spent collaborating with partners to solve complex building challenges on behalf of its clients. The 100% employee-owned firm has been licensed in the state of Nevada since 1973 and provides general contracting, construction management, design-build and integrated project delivery services. Their team of builders collaborates with owners, design teams and industry partners to ensure a tailored end-to-end building process and the highest quality projects in the renewable energy, aviation, hospitality, healthcare, education, commercial, and water/wastewater markets. Their resume includes nearly \$5 billion of projects across the state including Allegiant Stadium, Circa Las Vegas, the City of Winnemucca Wastewater Treatment and Effluent Disposal Facilities, and numerous renewable energy sites.

**Jeffrey N. Jenkins**  
Financial Advisor

[Jeff's](#) varied experiences in financial services as a Securities Specialist for both Goldman Sachs and Nomura Securities in New York City and as a Private Wealth Advisor for Goldman Sachs in Boston- have given him a unique perspective on wealth.

His work with successful individuals and families helped them to focus on investment management, liability management, estate and philanthropic planning, retirement planning and tax minimization strategies. He and his team at Merrill helps manage wealth for executives, families, institutions and individuals.

With half a century of investment management experience between them they help clients achieve their most cherished financial goals. Jeff earned his degree from The University of Utah where he graduated Summa Cum Laude with an Honors B.A. He also served a two year service mission for his Church.

Jeff is a Reno Nevada native where he now lives with his wife Alyse (also a native Nevadan) and his 3 children Sawyer, Finn and Elena. Jeff's hobbies revolve around his family, the kitchen, the gym, the outdoors and independent book stores.

## *Exciting Announcements*

# DAVID RUSSELL

## QC Division Manager

### Black Eagle Consulting, Inc.

(775) 359-6600

Quality. Integrity. Accountability.

[drussell@blackeagleconsulting.com](mailto:drussell@blackeagleconsulting.com)

Black Eagle Consulting, Inc. (BEC) is excited to announce the promotion of Mr. Russell to QC Division Manager. Mr. Russell is an ICC Master Special Inspector and he has been working with BEC for 16 years. He maintains 44 years of overall construction experience, of which 30 includes inspection and construction management. Mr. Russell is responsible for the coordination of Quality Control (QC) projects, including preparation of cost estimates, scheduling of inspection personnel, review of construction documentation and Quality Control during construction. He is also responsible for testing and inspection of various projects, as well as documentation of work completed. He acts as a field representative for BEC, as well as for the owner and/or engineer on each project. His areas of expertise include extensive knowledge of structural steel, welding, ultrasonic testing, concrete, masonry, rebar, and a variety of other construction materials and details, and he maintains his ANST Level II and AWS Welding Inspector certification.

We would like to take this opportunity to congratulate David on his promotion and long term service with BEC.

## ABOUT BLACK EAGLE CONSULTING, INC.

Black Eagle Consulting, Inc. currently has two offices located in Reno and Carson City. We provide geotechnical/geological engineering, laboratory and field materials testing, and construction inspection services in Nevada and neighboring states. Our staff currently consists of 55 highly skilled employees, including civil and geotechnical engineers, geologists, inspectors, and material technicians. We are well versed in all geotechnical and materials aspects of private and public works construction, including infrastructure design, construction inspection, and materials testing. Our strong construction background means our designs and construction services are practical, constructible, and cost effective while assuring quality and performance.

*Applying our expertise in geotechnical engineering and construction services to support the success of our clients' projects while enriching the development of our community.*
