Nevada Chapter AGC Presents:

PROJECT MANAGEMENT BOOT CAMP

8:00 A.M. - 4:00 P.M., TUESDAY, APRIL 16, 2024

(ONE-DAY COURSE)

INSTRUCTOR: PAUL STOUT, POWER SUMMIT

Target Audience:

Project Managers, Assistant Project Managers, and Project Engineers

Course Description:

This all-day intensive workshop is designed for busy project professionals. It addresses the most common and important elements of construction project management. It will equip teams to manage, measure, and memorialize successful projects.

This program provides participants with valuable knowledge and a tool set for taking their management experience to the next level.

This workshop will help you and your team:

- Build a "team dynamic" that will help govern project flow
- Establish and work within common sense guidelines
- Enhance your operations through better project start-up and close-out
- Strengthen your system to accommodate the requirements of your customer
- Develop meaningful communication and negotiating guidelines and processes
- Navigate the change order process
- Track progress using Key Performance Indicators
- Discover a simple yet powerful "Greatness Collection" from which teams can be empowered to work better together.

COURSE COST:

AGC MEMBERS - \$280

NON-AGC MEMBERS - \$355

LUNCH WILL BE PROVIDED
